LR 37, 38, 39,
LB 179, 179A, 109,
109A

SENATOR MARVEL: Clerk record.

CLERK: 31 ayes to suspend the rules.

SENATOR MARVEL: Senator Luedtke, the rules are suspended.

SPEAKER LUEDTKE: Mr. President, members of the Legislature. This resolution, of course, is on behalf of the Mother of Cal Carsten's wife, Ruth, and to express our sympathy to the family. It seems that we're having a great number of these this year, but I think it is the least the Legislature can do. We should send this to the family, and a copy of the resolution be presented to express our sympathy. We ask that this be done.

SENATOR MARVEL: And also that a ballot be sent around that everybody can sign.

SPEAKER LUEDTKE: That's correct. I would add that.

SENATOR MARVEL: You've heard the motion. All those in favor vote aye, opposed vote nay. Voting aye. Clerk record.

CLERK: 32 ayes, Mr. President, no nays.

SENATOR MARVEL: The motion carries and the ballot will be circulated. Mr. Clerk, do you have any other business?

CLERK: Yes. Mr. President, LR 38 will be printed in the Journal, calling for a study by Senator Stoney and Senator Brennan, dealing with the problem of aliens. To be referred to the Executive Board.

SENATOR MARVEL: Any other business, Mr. Clerk?

CLERK: Mr. President, LR 39, introduced by Senator Lewis, Mills and Fowler, regarding petroleum heating, oils. This will be read and laid over.

SENATOR MARVEL: It's so ordered.

CLERK: Mr. President, motion on the desk. I move that LB 179 be passed notwithstanding the objection of the Governor. Companion motion—that LB 179A be passed notwithstanding the objection of the Governor.

SENATOR MARVEL: That will be held over till tomorrow. So ordered. Any other business, Mr. Clerk? Chair recognizes Senator Barnett.

SENATOR BARNETT: Mr. President, I would like to ask...I put a motion on the desk. It could be taken up now, as far as that goes. I think it is for Senator Reutzel. What I've asked for is unanimous consent to bracket LB 109 until Thursday. I don't mind if it's Wednesday, but I do request that he or his staff pass out the amendments that have been adopted to that bill so that we have some idea of what we're advancing over to Final Reading. Barry, that is the only reason I ask for that to be done. I think, at that time, we'd have a better understanding of what the bill is like at this time.

SENATOR MARVEL: Are you asking unanimous consent that 109 be laid over till when?
